It's About Time

The varsity football team takes a time out during the game.

It's About Time

It was the best of times. It was the worst of times. To everything there is a season, and a time to every purpose under heaven. The time has come, the Walrus said, to speak of many things. Time is on our side. There's no time like the present. Don't do the crime if you can't do the time. Remember that time is money. Time is flying, never to return. Lost time is never found again.

Time discovers truth.

The fundamental
things apply
as time
goes
by.
Time
cancels
young pain.

But at my back I
always hear Time's
winged chariot hurrying
near. The time is out of joint.
Time on our hands. Time waits
for no man. Time for a change.
There's no time like the present. Time
bandits. Time heals all wounds.
There's a good time coming. Time
bears away all things, even our minds.
Time is the image of eternity. Time is of
the essence. Time is running out. Time
flies when you're having fun. I had the
time of my life. Time Out. Time's Up!

The Time of Our Lives

May 5, 1988. The Westford Regency. A special time and place for anyone who attended the Junior Prom. Friends admired and complimented one another. Smiles and laughter could be seen and heard throughout the night as cameras constantly snapped pictures to capture the moment.

Dan O'Leary and Mary Mahaney were crowned king and queen. Their court consisted of Alycia Bokuniewicz and Joe Falcone, Shannon O'Brien and Rob LeGallo, Leigh McCarthy and Rich Harty, Carol Scozzari and Kevin Pillman, Kristen Paskiewicz and Rick Darcy, and Tammy Sample and Craig Wilson. This was the first time for the court to consist of both males and females.

After the royal couples danced by themselves, everyone joined in. The night ended with the sounds of the prom theme song, "Turn the Page." The few hours spent here would be remembered by everyone.

The Junior Class officers gather around Mr. Alcott.

Cheryl Behm and her date wait for dinner to be served.

Patricia Grace and her date get close as they dance.

Sean Hardy and Mark Cappella get on top of things.

Joe Hayes thinks about taking another bite.

Brian Joyce, Michelle D'Agostino, Bob Kupka, and Samantha Reska pose for a picture.

Kristen Griffin and her date dance the night away.

Lisa McColgan and Kelly Angel stand with their dates.

Dawn Freda, Jen Olsson and their friend share a limo for the prom.

Tony Capalino and Paul Laundry take a rest from dancing.

Rebecca Hargrove and her date arrive in a limo.

The guys take time out for a picture.

Danielle Abbott, Kelly Armao and Tracy Tunstall along with their dates wait for dinner.

Kim MacLeod and Carol Scozzari smile for the cameras.

Sean Hardy and Kris Keyes dance into the night.

The girls gather around Mr. Alcott.

Michelle McMullen and her date share a special moment.

Jennifer Leverone, Cara Habeshian, Jaime Leverone, Vicki Smith and their dates enjoy the night.

The varsity football cheerleaders root the team on.

A Time To Cheer

As the band played the school fight song, the captains of the fall sports were escorted into the Memorial Gym by the football cheerleaders. The football team entered then and the crowd roared. This was just the beginning of the rally.

Each captain gave a speech that praised his or her teammates even if they did not have the best season. Halfway through this, the football cheerleaders performed their winning routine. Finally the football captains gave their speeches. They, too, praised their teammates but they also raised everyone's spirit for the upcoming Thanksgiving game against Chelmsford. Maybe this year we would win.

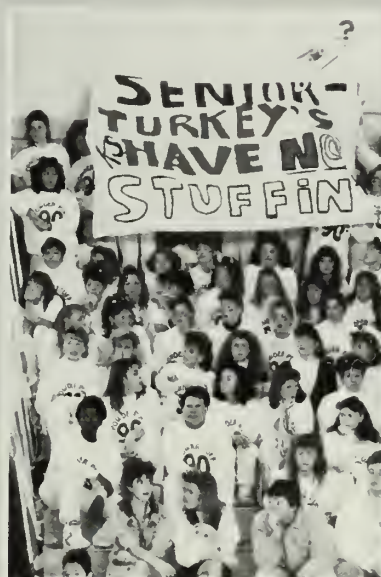

The Silver Jade Color Guard performs a routine.

The senior powderpuff team shows their spirit.

Football captains Mike Harty, Jeff Gallison, Jeff Jordan and Rich Peck make a speech that raises everyone's spirit.

Rob Scullin acts as a mascot for the seniors.

Wait Until Next

TIME

Heading into Thanksgiving Day, no one gave Billerica much of a chance of defeating arch-rival Chelmsford. The Indians' record stood at 1-8 while Chelmsford was 8-1. However, the opportunistic Indians jumped out to a quick 20-0 lead. Two Chelmsford fumbles deep in their own territory led to two Derek Graham touchdowns. Then, after forcing the Lions to punt, Billerica executed a 45 yard touchdown drive ending in a 15 yard pass from Paul Laundry to Jimmy Shea.

From that point on it was all Chelmsford. Matt Miner ran for two touchdowns and threw for another to put the Lions ahead 21-20 at the half. The second half was more of the same as Miner ran for two more touchdowns and the Lions came away with a 42-20 win. The Indians played hard the whole game, but faced a superior opponent.

Thanksgiving Day marked the end of football at B.M.H.S. for sixteen seniors. Scott Perrier, Ed Peterson, Rich Peck, Greg Pearl, Mike Harty, Jeff Gallison, Jason Poole, John Love, Paul Laundry, Rob St. Peter, Dan O'Leary, Derek Graham, Jeff Jordan, Carmine DeBlasi, Kysle King, Jim Shea, and Gregg Burns have all played their last game for the Indians.

Tough Time

The outstanding players of the team were composed mostly of seniors. Captains Jeff Gallison and Rich Peck with their fantastic hands along with Gregg Burns with his fabulous speed and Jim Shea with his fancy footwork recepted the passes. The passes were thrown by the southpaw quarterback Paul Laundry who played well all season. Kysle King, the tight end, set up many first downs for the Indians with his short-yardage receptions. In the backfield was the speedy runner Derek Graham who ran hard all season long.

The defense was led by the two linebackers, Jeff Jordan and Michael Harty. They stuffed the interior run with the great nose guard Gregg Pearl. The two defensive ends who contained the outside run were Ed Peterson and Scott Perrier.

Other defensive highlights were Carmen Diblasi, Jason Poole, and Dan O'Leary who were subject to injury early in the season.

Despite the Indian's tough record of 1 and 9 there is much talent to be noted. Five players from the team received at least all conference honorable mention. Jeff Jordan made first team defense at the linebacker spot along with second team offense at guard. Jeff Gallison made first team punter. Derek Graham made second team offense for his running back skills. Scott Perrier made second team defense at his end position and Paul Laundry made honorable mention at quarterback.

Half Time

This year the Billerica High Fall Cheerleading Squad was one of the best ever. The team placed third in the Northern Area Cheering Competition at Beverly High School on November 12. They again took third place in the State Championships held at Clark University on November 27.

The 1988 Fall Cheering Squad consisted of senior captains Amy Canfield, Laurene Nicosia, and Michelle Staffier. Four other spirited seniors who made up this years team were Genelle Blake, Kelly Connor, Kerrin O'Shea and Rosie Petrosillo. The rest of the team consisted of juniors Jennifer Browne, Lisa Cardia, Nicole D'Orsi, Laura Foster, Stacey Furlong, Kerry Lee, Maureen MacMullin, and sophomore Tarah Clifford.

At the '88 Fall Sports Rally the cheerleaders performed a series of cheers. However, most of the cheers from the crowd came when they performed their competition routine done to "Supersonic."

The cheerleaders would like to say a big thank you to Lisa Cardia and Tarah Clifford for all the time and effort they put into the team.

Over Time

The girls' soccer team performed well during its 1988 season. The team went 10-5-3 during the regular season, playing well against some very tough teams. They tied arch-rival Chelmsford in a very hard-fought game. The team beat Westford, for the first time in Billerica girls' soccer history, in the deciding last game of the season, to make the playoffs. The 1988 season was the second season in a row that the team made it to the playoffs. The team played vallantly in very cold weather, but lost to Beverly in the first round, 3-1.

Team captains were seniors Maureen Higgins and Kelly Angel. Other outstanding players were seniors Kim Infanger and Beth Roach, juniors Dana Carabba (the leading scorer for the team), Tracy Penrose, Kathy Cristello, and sophomore Rachael Barbarossa.

The players named to the All-Star team were Kelly Angel, Maureen Higgins, Tracy Penrose, and Dana Carabba.

Time Out

This year's soccer team coached by Jim Kelly had a respectable record of 12-5-3. This record was impressive considering the majority of the team was made up of underclassmen. The only seniors on the team were Kevin Pucillo, Kheng Ly, and captains Steve Martorella and Adam Schwartz. Highlights of the season included an exciting 2-2 tie against MVC rival and co-champ Chelmsford and ties against small school champs Dracut and Tewksbury. Also included in those highlights was an impressive win against powerful Acton-Boxboro. Next year's team will have fifteen returning lettermen and will prove to be a powerhouse in the coming year.

Cross Country

Winning Time

The Boys and Girls Cross Country teams had competitive seasons this year. The girls finished with a record of four losses, the boys with five wins and five losses.

The girls' team was led this year by coach Patricia Tobin and tri-captains Judy Coneeny, Rita Hennesey, and junior Roberta Hennesey. This year's senior runners were Joanne Chin, Kim Colby, Judy Coneeny, Michelle Cushing, and Rita Hennesey. Other key runners were underclassmen Coreen White, Kerry Gougen, Tina Rouine, and Roberta Hennesey.

The leaders of the boys cross country team this year were coach Joe Bradford, and co-captain Dennis Hart and junior Terry Crump. The team finished fifth in the Northern Area Meet this year, while seniors John Doherty and Dennis Hart were elected to the MVC All-Conference team. Good efforts were made by seniors Jeff McCarron and Jeff Wright also.

Both teams put in long hours of hard practice and it paid off.

Volleyball

Time To Rotate

Despite the loss of five valuable seniors the 1988 volleyball team still pulled off an 11-7 season. Co-captains Tammy Sample and Dottie Cooke led the team to the States along with 4 other seniors—Laurie Kitchin, Linda Ames, Sheryl Flynn, and Angel Carvalho. Other key players were juniors Moira Breen and Vanessa Donadio. Although the team statistically didn't have the best season, the win over long-time rival Chelmsford proved their ability and was probably the highlight of the season.

Band And Color Guard

Time Marches On

The 1988 Marching Band and Silver Jade Color Guard has just completed a very successful fall season. Looking back, the group captured two first place titles, one second place title, and one fourth place title. At the Eastern Marching Band Association Championships the group was awarded the Massachusetts State Title and placed fourth overall out of ten bands from Connecticut, New Jersey, New York, and Massachusetts.

Most recently the group set its sights on a successful trip to Orlando, Florida to compete in the Citrus Bowl Festivals. The group will have made performances at Disney World, the Citrus Bowl Parade, and the Citrus Bowl Marching Band Competition.

(top) Seniors Michelle DiRoco, Terri McWhinnie, Peggy Schwarzel, and Ed Seymour take time to pose together.

Swimming

Best Time

The swim team had a tough season this year with the loss of many of its strongest swimmers. Several new members helped to add to the depth of the team, but without experience it was difficult to come out ahead. The team held together, however, and worked through the hard times to make it a winning season despite their 3 and 8 record. The new members showed major improvements near the season's close and the team suffered some close losses to Westford Academy, Notre Dame, and Burlington.

The diving team of Christina Ianelli, Kerri Ferro, Jen Houghton, and senior Mary Connors also gave its best efforts and had many personal achievements.

This year's seniors were strong with Killian McNulty in backstroke and butterfly, Kimberly Brown in distance freestyle, Jen Rumley in sprint freestyle, Terri Sacramone in freestyle, and Kerri Little in distance freestyle and backstroke.

The team made it to post-season competition in the North Sectionals and State Championships. Kerri Little swam individual backstroke and distance freestyle events in both meets, while strong relays of Kerri, Terri Sacramone, Tory Capezza, Kerri Ferro, Debbie Shaw, and Killian McNulty performed well.

Coaches Dottie Blake, Tom Connors, and Anthony Fiore, along with managers Karen Leger and Amy Hasbrouck, helped and supported the team throughout the season. With their help, and the talent of the returning swimmers, there is a lot of hope for next year.

Golf

Tee-Off Time

The 1988 season for the golf team has been one of the one of the more successful seasons in many years. For the second year in a row, the team made it to the State Finals due to the excellent coaching of Mike Cowdrey and the strong leadership of Tri-captains Joel Jenkins, Jeff Higgins, and Bob Fletcher, all seniors. The State Finals were scheduled to begin this past June, and going in to them the team had a very good chance of being successful.

The team got off to a shaky start with the first two matches, which were losses to Haverhill and Central Catholic. Billerica then came back to humble Wilmington with a score of 9-0. They finished in September with a record of 5-2-1, with one of the highlights being a victory over Lowell by the score of 11 ½ to ½.

October also had a rough beginning with three of the first four games being losses. After that, Billerica finished the season with four straight victories, giving them a final record of 10-5-1. In doing this, the team qualified for the State Finals.

Although several fine players — Scott Woodin, Adam Richardson, and the aforementioned Tri-captains — are leaving, the team will continue to be in capable hands with returning players.

Yearbook

Each year a group of students get together to make a history book of their class, otherwise known as a yearbook. With the advice of Mr. Flynn and Ms. Marinaro, Alessandra Fassett took charge of the 1989 Warrior Yearbook. With her loyal staff, she tried to center the yearbook around the theme of time. Over twenty-five members of the senior class and several underclassmen functioning as interns came up with 232 pages of history, exclaiming at the end, "It's about time!" The yearbook is presented to the class at the annual reunion over Thanksgiving weekend.

National Honor Society

The National Honor Society is traditionally linked to service, character, scholarship, and leadership. The Billerica chapter of NHS ran two blood drives during the school year, both of which rounded up at least 75 donors. Members also gave up their study periods to participate in the tutoring program at B.M.H.S. Individually, members struggled to maintain an 88.5 average. Although difficult to do, 17 students managed to make it through the year successfully and maintain their membership.

Hockey

The 1988-1989 season has been a memorable one for the boys Varsity hockey team here at BMHS. This was the most successful season the team has had in the past few years. The team worked hard, and showed alot of 'desire' to win big this past season, finishing with an overall record of 16-5-1, and the title of the Merrimack Valley Champions.

Though the team is best known for its outstanding performance by forwards, the play of the underclassmen goalies and senior Captain Don MacLeod on defense proved to be a crucial part of their spectacular season. Senior Captain John Barron on right wing also proved to be a driving force with an unbelievable 28 goals and 17 assists. Following close behind him with 21 goals and 23 assists was senior left wing Jim Fitzgerald. A close third was senior Joel Jenkins with 16 goals and 22 assists.

The under-class players made great contributions to the success of the team, especially the goalies, but it was the seniors who seemed to pull everything together to make their final season a tremendous success. Among the senior line-up were John Barron, making second team all-conference, and chosen as a Lowell Sun All-Star; Don MacLeod, making first team all-conference, and also chosen as a Lowell Sun All-Star; Jim Fitzgerald, chosen as a Large School All-Star and a Lowell Sun All-Star; Joel Jenkins, Dennis Carpenter, and John Gallagher were chosen as Large School All-Stars also. Though senior Billy Egan didn't show up in the All-Star line-up, he came through for the team with 8 goals and 12 assists.

The team's playoff performance was one that they should be very proud of. The playoffs started off well for the Indians with a 6-1 win over Hingham. However, their season seemed to no sooner started, then it ended with a nasty 5-2 defeat by Don Bosco High. The Indians put up a good fight, but they just couldn't seem to pull through with a win. It was a disappointing end to a spectacular regular season. According to Joel Jenkins, "It was the most exciting game of the year. We outplayed them, and we deserved to win."

Girls Basketball

Despite a disappointing season, the girls basketball team had some high moments along the way. The first one came when the girls played against Haverhill, the league champs. After the first quarter, Billerica had the lead and was playing great. Disappointment came, though, when the game was over and Billerica had lost.

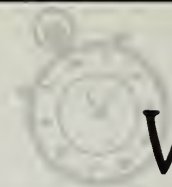

Next came their win over Tewksbury. Billerica had previously had a close loss to them and was looking for revenge. It came in the form of a win, 54 - 35.

Finally, the last game of the season was at hand. With only one win so far, the girls didn't know what to expect. After the first quarter, Billerica was down by 9 points. In the next quarter, they came back 11-9. They kept up this lead until the last quarter and won the game with a score of 40-37.

For seniors Dottie Cooke, Sue Tatarouns, and Genelle Blake this was their last basketball game at BMHS. For seniors Tammy Sample and Kim Infanger, though, their last game would be played as part of the all-star team. All in all, the team played hard and helped rebuild it for next year.

Boys Basketball

Despite their record of 3 wins and 15 losses, this year's basketball team was a winner. They tried their best and lost three of these games by only one point. These games were against Concord and Chelmsford. Their other games were very close and competitive also.

This was Mr. Jame's last year as coach. The team wanted to give him something special at the last game. This something special was a victory over Methuen. The final score was 76-55, Billerica. The team ended their year with a bang.

Gymnastics

This year's gymnastic team had a shaky start. Rumors of an unfilled coaches spot were going around. This meant there was a chance of not having a team at all. Then two weeks before practice officially started, Dawn Doucharme took the job of head coach. Her sister Jessica and Gail Berkley came on as assistants.

Despite the rumors, many girls tried out. The coaches picked twenty-five girls and created a team with freshman, sophomores and three seniors. They were one of the biggest groups in the league.

The team had a record of 2-6 but was very competitive. In the meets against Methuen and Chelmsford, Billerica broke the gymnastics team record. Against Methuen, Billerica scored 116.45, losing only by a quarter of a point. Against Chelmsford, the girls scored 118.55, losing by less than eight points. In both meets Billerica came very close to winning.

In addition to those two meets, Billerica had two victories over North Andover and Lowell. Unfortunately though, the team had only eight meets instead of the usual twelve. Without the extra four meets neither the team or any individuals could make the state meets. The girls didn't let this get them down. They are still proud of what they did.

Girls Track

The girls winter track team had a spectacular season in 1989. They ended the season with a 6-0 record, going undefeated in the Merrimack Valley Conference. The girls pulled together in an important meet to defeat Chelmsford, which guaranteed them at least the position of co-champs. They clinched the MVC title by defeating Lowell, the defending MVC champs of 1988, and two other teams. The captains, Joanne Chin, Kimberly Colby, and Judy Coneeny helped to bring the team together for a winning season. Seniors on the team were Michelle Cushing, Anne Marie Larsen, and Beth Roach. Many of the girls topped their best performances and set some school, as well as league records. The 1989 girls winter track team provided the school with one of the best seasons in many years.

The boys winter track team ended its season with a 3-5 record. The team was led by seniors Dennis Hart and Mike Capps and junior Paul Ransom. Seniors on the team were John Doherty Brian Fololo, John Iove, Jevff McCarron, Chris Trout, and Jeff Wright. Many members of the team, coming off injuries, were vital to the team's peaking late in the season. The boys set a school record for the two mile relay at the state Relays. Running this relay were John Doherty, Jeff Wright, Jeff McCarron, and Dennis Hart. John Doherty set many records throughout the season including many state records. Dohety also got a first place victory in the two mile in the New England Track and Field Championships. Many members of the team made their personal best, although the team as a whole had a disappointing season.

Wrestling

This year's wrestling team had a respectable season with a record of 9-6-1. Led by seniors Ralph Lyman, Gregg Pearl, Mike Murphy and juniors Ricci DeRosa and Steve Marisolo, the team got a chance to be represented at the State Tournament. At the states, Gregg Pearl, Steve Marisolo, and Mike Murphy won matches, but only Ralph Lyman and Ricci DeRosa advanced to the New England Championships. Ricci DeRosa finished fourth there, and for the second time Ralph Lyman became the New England Champ. This ended Ralph's career with 129 wins, 10 losses and his season with 40 wins, no losses. Although many seniors will be gone next year, the team will have a chance at the States and New England Championships if Ricci DeRosa and Steve Marisolo return to the team.

To The Members of the Class of 1989:

Graduation is a time for gifts. You have received a gift. It's a gift that will not wear out, break, or rust. It's a gift that will increase in value every day. Once the gift is opened, it will never be thrown to the back of the closet and forgotten.

The gift is, of course, your education. Use it wisely in whatever your chosen field of endeavor. I join with the Billerica School Committee in congratulating each and every one of the Billerica Memorial High School graduates. May your future be filled with happiness and success.

Sincerely,

Dr. Robert J. Calabrese

Dear Graduates,

For four years now, you have enjoyed the benefits of a quality high school education. Billerica High School's diploma certainly represents an attainment of important facts and concepts, critical and reflective thinking skills, and career and personal insights. You have a right to feel proud of your accomplishments.

But the mission of B.M.H.S. never ends, and I urge you to continue to pursue your Alma Mater's goals as you move on to college or to an occupation in a chosen career. Maintain the spirit of challenge - to be the best you can be. Hold on to high expectations for yourself and to the self-discipline and belief in hard work to achieve your goals. And continue the struggle to build a community - a spirit of support and concern - within your families, groups of friends, the college or town where you live and within our nation.

If you continue to strive toward B.M.H.S.' goals, I am convinced that you will be successful and satisfied with your lives and careers.

Congratulations on your graduation and please know that you are always welcome within the B.M.H.S. Community.

Best wishes,

CHANNEL ONE

Homeroom used to be a dull part of a student's day, but since March 6th of this year, Lynn Blades and Ken Rogers have been beamed into our rooms to bring us Channel One. It is a fast-moving, ultra-contemporary daily twelve minute news broadcast geared toward high school students. Each morning for five weeks, students have watched the news blurbs of both world and national headlines. In depth reports of major issues and featured topics such as life in the U.S.S.R. are also shown. As one of five schools chosen, BMHS received \$50,000 worth of educational materials for teachers and students in exchange for piloting the program created by Whittle Communications.

Although Whittle Communications created Channel One to give students a new awareness of current events, it seems the intent has been lost in the controversy over the showing of commercials in schools. Everyone from the Billerica Beat to Newsweek and Nightline covered the story, giving students a chance for stardom.

Whether or not Channel One will continue to show up in BMHS homerooms is a question that won't be answered until January of 1990. If it is approved, 8,000 schools besides BMHS would be watching Channel One every school day.

The 1989 softball season was a disappointing one for Billerica. Although the team played a few very close games, they won only two, beating Chelmsford and Lowell. The team lost a heart-breaking game to Chelmsford, lasting twelve innings with Kim Infanger pitching. Many of the close games were lost by one run coming down to the last out.

Senior captains Dottie Cooke, Kim Infanger, and Sue Tartarouns lead the team early on. Later in the season, in a controversial move, Coach McLaughlin appointed new captains: sophomore Rachel Barbarosa and senior Michelle Griffin. The move didn't seem to make much of an impact; there were many talented individual players, yet the team as a whole could not seem to pull together. The senior players were Claudine Berube Dottie Cooke, Sheryl Flynn, Michelle Griffin, Kim Infanger, and Sue Tartarouns. The team is left with a lot of potential for the 1990 season.

Baseball

This year's baseball team had an excellent year with a record of 14 wins and 4 losses. The losses they did have were very close. Two of them were only by one point. They were against Malden Catholic and Methuen. After losing to Malden Catholic though, they came back later in the season, much to their surprise, and beat them 8-5. Billerica didn't get a chance for revenge against Methuen.

Leaving the team are seniors Mark Magararu, Jeff Gallison, Jeff Jordan, Derek Graham, and Sean Hardy. Coach Sidorovich will not be totally lost though. He'll have Brett Masota, Kevin Gately, Mike Hayes, Sean Pierce, Keith Qualter, and Tom Glavine returning as veterans.

Lacrosse

The Billerica High Lacrosse team had a season of highlights as well as disappointments this year. The teams overall record of 4 wins and 12 losses does not bring truth as to how the Indians played this season.

There were many close games which turned out to be heart-breakers for the Indians and there were many injuries including a broken wrist to senior captain, John Barron, which the team had to battle through.

The team was led by captains Rick Peck and Scott Perrier, seniors John Reslow and Bob Byrnes, Juniors Peter Hinkley and Bob Kinsella, and sophomore Chris MacInnis. Along with the other hard working members of the team they proved that they could hold their own against the top teams when they held Concord-Carlisle to a 6-5 lead at half time and beat them physically all over the field during the game. The Indians proved their ability once again when they held Weymouth North to a 6-4 win on the last game of the season.

Most importantly, under the supervision of coach Grant Whiteway, the 1989 BMHS lacrosse team developed a hard-work ethic, and a Never-give-up attitude which will be carried on to future teams and play a key role in the rebuilding of the lacrosse program.

This year's team had a disappointing season with a record of 3 wins and 5 losses. The first half of the season looked promising with three victories against Wilmington, Dracut, and Lawrence. Then Andover came around with a big defeat of 38-91. After that, Billerica tried their best but they could only come up with close losses.

Seniors, also strong leaders, on the team were Chris Trout, John Doherty, Michael Capps, Dennis Hart, John Love, Brian Follo, Jeff Wright, Jeff McCarron, and Steve Brookings.

The spring season was the last that the 1989 Girls Track Team would spend together. The close-knit group ended the season with a 4-3 record. Leading the team were captains Joanne Chin, Kim Colby, and Judy Coneeny. Coach Dan Murphy and assistant coaches Jones, McNulty, Norton, and Tobin gave the team guidance throughout the season.

Seniors who were essential to the team were Joanne Chin (sprinter and triple jumper), Kim Colby (sprinter and high jumper), Judy Coneeny (mid-distance), Michelle Cushing (javeline and distance), Anne Marie Larsen (sprinter), and Beth Roach (discus and shot-put). The team is left in the capable hands of captains-to-be Roberta Hennessy, Bonnie McDonough, and Tracy Penrose.

The 1989 boys tennis team was surprise both in the league and to many others out of the league. But to the team and Coach Colangelo it was no surprise. The team came in third place in the league and advanced to the quarterfinals of the North Sectionals Tournament, ending the season with an overall record of 13-6.

The season officially started with the annual ritual of killer tennis which was won by Bob Cataldo who defeated Tom DiNanno 5-0 in the final match. This was a great year for killer with two records broken — the best save ever by Ricci DeRosa in a shootout with Bob Cataldo in the semi-finals and the quickest goal by Phil Casalini against DeRosa 3 seconds into the opening match.

The regular season started off very successfully, setting up a showdown with Andover who went on to win the league, North Sectional, and be runner-up in the state final. Except for Scott Christo, the team didn't fare very well. Christo beat Chris Chiang in three sets. Chiang, a sophomore, hadn't lost a set until he met Scott. The next match was a thriller against Chelmsford, won by the Indians 3-2. Christo at second singles and DeRosa and Casalini at second doubles won their matches and Chelmsford won first and second singles. The match came down to the third set in first doubles with Mike Raybould and Tom DiNanno pulling it off and winning the clinching match.

The second half of the season wasn't as successful, but the Indians did surprise Westford in their 2-3 loss to cap the regular season. Winning for the Indians were Christo and Casalini and Ty Munson at second doubles. The losses at first singles and first doubles weren't total. Giblson went three sets with Jon Hesslstadt who only lost five sets all year and Raybould and DiNanno got a set off the Westford team who hadn't lost one all year.

In the tournament, the Indians beat Swampscott 4-1 and went on to lose to Masconomet 0-5 in the quarterfinals.

With the 1989 boys tennis team made up of mostly juniors, don't be surprised if they win the league, North Sectional, and maybe even the state title in the 1990 season.

The girls tennis team had a successful season this year finishing with a record of 12-6. Led by senior co-captains Leigh McCarty and Kristen Frazier, the team qualified for the State Tournament and won their first round match against Ashbury defeating them 5-0. However, in the second round they suffered a close 2-3 loss to a tough Notre Dame team.

First singles player Leigh McCarty had another undefeated season this year. Strong performances were also turned in by second and third singles players, Kristen Frazier and Dana Carraba. The first doubles team of juniors Moira Breen and Kathy Cristello will have another year to improve on an already impressive record, while the second doubles team will need some rebuilding after the loss of senior Mary Mahaney.

Jennifer Spadano bounces the ball in preparation for her serve.

Leigh McCarty returns the ball with a strong backhand.

Volleyball

A new tradition began this year at Billerica High: the spring Boys Volleyball program began its first season. Seniors Jim Fleming and Matt Warden served as the first captains for the team. Other seniors on the team were Sean Breen, Tony Breen, and Ron Thurber. Many of the experienced teams that Billerica faced this year were too much of a challenge for Billerica to beat. But each game saw some improvements in the team.

The highlight of the season came when the team defeated Boston English, another young team. Coach Tim Sloman is optimistic for next year's team. The J.V. team won six games and the team is sure to gain experience with each season.

Time Of Our Lives

"Hold On To The Night"

Memories were made on May 31, 1989. From hair salons, to tuxedo shops, from limos to the Sheraton Ferncroft, the Senior Prom was an event which no one will forget.

As couples began arriving around 6 'clock, they were ushered into the function hall. Dinner came and went so dancing and photo-taking could begin. Everywhere you turned there were beautiful girls with handsome escorts.

Just when the dance floor was most crowded, the music stopped and people were asked to be seated. It was time for the queen and her court to be chosen. Each couple danced around the floor. After the judges made their tough decisions, Daphne Porter and her date were crowned queen and king. Daphne's court consisted of Danielle Silva, Nicole Bouley, Kim MacLeod, Joanne Chin, Alycia Bokuniewicz, and Jenny Carmichael.

Finally the prom theme song was played and every couple took to the dance floor. When the clock struck twelve, the magical night was over. We couldn't hold on to the night, but we can hold on to our memories of a great evening.

(top left) The class officers, advisors, and principal smile with pride after they see the prom is a success.

(top right) Kerrin O'Shea and her date get close as they dance to a slow song.

(middle left) Cheryl McPherson and Bucky Larcome dance to the rhythm of the music.

(middle right) Derek Graham, Jeff Gallison, Jeff Jordan, Todd Dixon, and D.J. Emanuel get away from their dates for a minute.

(right) Patty Barbarossa, Rebecca Flaherty, Brenda Bassett, Kerry Griffin, Kristen Griffin, and their dates wait for dinner to be served.

"... However, let us not forget that learning is a continuous process. Learning does not end with graduation: it only becomes less formalized. No longer will teachers be able to provide us with everything we need to know. From now on, we must be our own teachers and seek knowledge ourselves from the world around us. Everywhere we will go, there will be some new bit of knowledge for us to discover that improves our understanding of the world: but only if we strive to learn in life by asking ourselves "how" and "why" will this new wealth of knowledge be ours."

Cheryl Behm, Salutatorian

(bottom) Mrs. Breen and Mrs. Killeen lead the way for the students.

" . . . Each and every dream is a bright glow some where in our futures, but the road to it is not an easy one. We will face many new responsibilities, pressures, and decisions, and we will be tested in many ways. In the midst of these trials we must always be honest and truthful to ourselves even if it would be easier to lie and cheat. We should live a true life, not a false one. We must think of others as well as ourselves, and we must work together in harmony not in discord. Most of all, we must combine our energies to work for the betterment of society. We should not work to tear society down, but rather work to improve it and preserve it for future generations."

Michael DiBiasio, Valedictorian

" . . . We, the Class of '89, are gathered here for one last time. For those of us who are here, we are the proud survivors of this unique and successful class. We were not the best class. We were better than best, because we were the class whose Junior and Senior Proms oversold. We were the class whose fundraisers and activities were all successful. Whether it be beach towels or gift wrap, the Ring Thing or Christmas Ball, we made them work for us. We were known as the class who extended every ticket sale possible. And we were the class without officers and advisors in our freshman year and still managed to graduate as one of the most successful classes at Billerica Memorial High School."

John Chan, Class President

The Billerica High School yearbook was printed by Jostens Printing and Publishing Division, 401 Science Park Road, State College, Pennsylvania 16801. The Jostens in-plant consultant was Karen Stariha. The Jostens area representative was John Neister. Billerica advisors for the yearbook are Jack Flynn and Susan Marinaro.

The cover was a four color process printed on white material #LT478 and laminated. The artwork was done by Liz Clements. The endsheets were printed on Parchmatte material #303 with Forest Green Tempo Ink #349 applied different front and back.

The 232 pages used 100# Gloss paper with black ink applied for the entire book. 8 pages were printed with the four process colors.

The official school photographer was Stevens Studios of Nashua, N.H.

The dominant type style used throughout the book was Souvenir #37. Body copy was set in 10 point with captions in 8 point. Headlines ranged from 14 to 60 point. Page numbers were set in 12 point Souvenir.

A press run of 450 yearbooks was delivered in November of 1989.
